Ref.B2-0249-41. South Kanara Collector's
Mangalore, 16th September

From

M. Karamatullah, Esq., I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board of Revenue,
Land Revenue & Irrigation, Salem.

Sir,

Alienation - Land and Revenue - Puttur Taluk - Puttur Casba village - S.No.100/13 - Radio Tower, Gymnasium and Park - Panchayat Board, Puttur.

*****

I submit applications for alienation of land and revenue in respect of S.No.100/1B of Puttur Casba village, measuring 1.20 acres in favour of the Panchayat Board, Puttur for the purpose of a Radio Tower, a Gymnasium and a park, for which it is proposed to set apart 5 cents, 40 cents and 80 cents respectively.

2. The plot forms part of land S. No.100/1 registered as 'Public office Poramboke'. The Sub Divisional Officer, Public Works Department has no objection to the alienation of the plot as there is no proposal for taking up the construction of any 'Public offices' in the near future at Puttur. No objections too have been filed in response to the notice published in the village in respect of the proposed alienation. A set of the alienation conditions is enclosed with a copy of the resolution No.92, dated 30.8.42 of the Puttur Panchayat Board agreeing to abide by them.

3. No site value or ground-rent has to be levied as the alienation is for an unremunerative public purpose. No treegrowth exists on the plot. I enclose an eyesketch of the plot.

4. I recommend that the alienation proposed may be sanctioned free of site value and ground rent but subject to the conditions mentioned in the list enclosed.

for Collector.

APPENDIX.

Particulars of land.

Taluk

Village.

S.No. Radio tower-5 cents.

Extent. Gymnasium-40 cents.

Assessment. Park-85 cents.

The land shall be used for the purpose of a public park, radio tower & gymnasium as per particulars shown in the ~~plan~~ and for no other purposes.

2. The grantee shall ~~complete the construction of the buildings~~ lay out the park gymnasium and radio tower within three ~~two~~ years from the date of the grant.

3. No other kind of building shall be constructed on the land without the previous permission of the Collector.

4. The market value of the land shall be collected if at any time it is found that the grantee derives a substantial income from the land.

~~5.~~ The school shall be open to members of all classes including the depressed classes.

~~6.~~ The land shall not be leased nor shall any licence whatever for the occupation whether permanent or temporary be issued except under the provisions of Sec.160(3) of the Madras Local Boards Act or Sec. 183(3) of the Madras District Municipalities Act or the rules framed under the Act.

~~5.~~ The Government may resume the land wholly or in part with any buildings thereon, in the event of the infringement of any of the conditions of the grant. In the event of such resumption no compensation shall be payable for any improvements that may have been effected or other works that may have been executed on the land by the grantee and the grantee shall not be entitled to the repayment of any amount that may have been paid to the Government for the grant. If there are buildings on the land, the Government may direct the grantee to remove them and in the event of the grantee refusing to remove the buildings when so directed the Government or any Officer empowered by them in this behalf shall have power to remove the buildings and realize the cost of such removal by the sale of the materials.

~~6.~~ The Government may resume the land wholly or in part with any buildings thereon if in the opinion of the Government the land is —

required for a public purpose, or for conducting mining operations. In the event of such resumption, or in the event of the acquisition of land for any reasons, the compensation payable for the land and the trees shall in no case exceed the amount paid for them by the grantee or their value at the time of resumption or acquisition --- whichever may be less and the compensation payable for buildings or other improvements shall in no case exceed the amount paid for them by the grantee at the time of alienation or their value at the time of resumption or acquisition, whichever may be less, if any buildings erected or other improvements effected on the land by the grantee in accordance with the terms of the grant. The amount of any grant made by the Government towards the cost of the buildings or other improvements shall be deducted from the compensation payable under this condition. But in no circumstances shall any compensation be paid by the Government in respect of buildings constructed in contravention of condition (3).

7 ~~9.~~ In the event of the voluntary relinquishment of the land by the grantee no compensation shall be payable for any improvements -- that may have been effected or for works that may have been executed on the land by the grantee but the grantee shall be entitled to the repayment of any amount that may have been paid to the Government for the grant or the value of the land at the time of relinquishment --- whichever may be less.

8 ~~10.~~ Full land revenue shall be levied if at any time any net income is derived from the land or if any of the conditions of --- alienation are infringed. In the latter case full land revenue -- shall be levied from the date of such infringement. The decision of the Collector on the question whether a net income is derived from the land or not is final.

9 ~~11.~~ The Government reserve to themselves the right to all sandalwood trees and their branches and roots which exist at the time of alienation as well as those which may grow subsequently on the land and the Government shall be at liberty to cut or dig out any such trees ~~and~~ or their roots and branches and remove them from the

land at their pleasure. The alienee shall not be entitled to cut or remove them or cause them to be cut or removed without the permission of the Collector of the District.

~~18.~~ The alienee shall take all reasonable measures to the satisfaction of the Collector of the district for the protection of the sandalwood trees from theft or damage and for the careful protection of the immature trees growing on the land.

~~15.~~ The alienee shall take steps to see that the marks made by the officers of the Government on the sandalwood trees are preserved and are not tampered with.

~~14.~~ In the event of the infringement of, or failure to observe any of the conditions ~~(6 & 8)~~ the alienee shall pay the Government such compensation as is determined by the Collector of district for any loss or damage caused by such infringement or failure on his part. The Government shall also be at liberty to resume the land and re-enter on it and the whole land shall thereupon vest absolutely in the Government. In that case, the alienee shall not be entitled to any compensation whatever.

16. The radio shall not operate during the business hours of the several public offices in the neighbourhood.
